

MEMORIES OF SPECTACULAR SOUTH AFRICA

1. The Guests

Last week a group of very satisfied AEROTOURS guests from Canada returned from a memorable visit to South Africa.

Our 20 day tour included visits to the Kruger National Park; Swaziland, the awesome and scenic wonders of Drakensberg; cosmopolitan Durban; the picturesque towns and hamlets on the renowned 'Garden Route' and ended in magnificent Capetown. We travelled in a luxurious private coach with Nick, our attentive, caring tour leader and an experienced South African guide.

We feasted on Ostrich, experienced an African 'Boma' Barbecue, tasted fine wines in the world famous Stellenbosch wine region and enjoyed South African gourmet cuisine in a number of well-chosen restaurants. Golfers enjoyed a round on a championship course while other guests enjoyed a fascinating show at the Birds of Prey Sanctuary. Each day unfolded new and memorable experiences. For our farewell dinner we enjoyed a fabulous meal and a spectacular South African show that we will long remember.

A reunion is planned for March 17th at the “Konkan Delite,” where we can relive those wonderful 3 weeks with a slide presentation of our pictures while we recount numerous anecdotes from the trip. We have invited friends interested in joining the next SPECTACULAR SOUTH AFRICA tour to our reunion.

The majority of our guests are seasoned travellers. This is what some wrote to us about our trip to South Africa:

“This was my best tour. Well planned, and conducted beyond our expectation” (J & P)

“We had a wonderful trip with many pleasant memories and we appreciated all the little extra touches” (M & H)

“We did not expect it to be soooo Spectacular! We’ve travelled a lot- most recently to Australia, New Zealand & Hawaii, -- but S. Africa tops it all!!! (J & T)
