Submit Data – Goan Associations

Goan Voice now invites non-UK organisations to submit data which will be displayed at the website. There are two categories of information solicited:

1. Information about your Organisation. This could include a brief history, current members of the Committee, list of regular activities, brief reports about forthcoming or past activities and/or meetings, a photograph of the Committee, links to your own website pages, etc. Check out http://www.goanvoice.org.uk/organisations/ylgs/index.htm for a specimen. The info can be updated by your association as needed and should be no more than 1000 words of text.

2. Information about your forthcoming events will be included on a complimentary basis if you fill in the form at http://208.91.199.243/~goa19381/cevent.php You can attach a flyer or link to one that is on your website.
