

Memory Book

We would also like to surprise Dad with a gift of a different kind – a **Memory Book**. This is like a scrapbook of memories and photos created from contributions provided by his friends and relatives.

We are sure this is something that he will greatly treasure as there is no greater gift than the love and care that goes into writing a note or creating a page full of memories.

We would greatly appreciate if you could please send us a brief note or e-mail with your mailing address if you are willing to take part in this special surprise gift.

We thank you all in advance for your help with this endeavour and look forward to receiving your messages.

Please help keep the surprise!

Here are some guidelines and suggestions to help create this special gift of the Memory Book:

- ◆ If you have any photographs of our parents when they were younger or taken at special places or commemorating special occasions, please could you send them to us.
- ◆ If you do not want to give up your copy of the photograph, a colour photo copy would work just as well or of course you can use email.
- ◆ Write about your favourite "T.J. LOBO Memory" or let him know the things you value about him or remind him of the fun you have had together.
- ◆ Any anecdotes, fond memories or crazy capers.
- ◆ A birthday greeting or verse or even a copy of the little notes Dad includes with his Christmas cards to you.
- ◆ A favourite poem or quotation.

Please remember to put your name on the page and try to enclose a **recent photograph of yourselves and family**.

If you wish to be decorative and add things to the pages, keep in mind that the page needs to be A4 size and will be going into plastic sleeves, so try to keep the additions relatively flat.

Remember to use a large envelope to keep your scrapbook pages safe.

PLEASE SUBMIT YOUR MESSAGES AND PHOTOGRAPHS BY 15TH SEPTEMBER 2009
